Description

D&RGW #315 is back to work on the Cumbres & Toltec Scenic Railroad!

After recently being restored by the Durango Railroad Historical Society, the 315 has been assigned to a work extra leaving from Antonito, CO.

Follow along as she pulls a string of gondola cars, climbing the mountains and winding along canyons on her way over the 10,000 ft Cumbres Pass then down into the Chama Valley and finally into Chama, NM. Then follow the 315 on the next day as she climbs the strenuous 4% grade on her way over Cumbres Pass, returning a different consist back to Antonito. The runtime is approximately 72 minutes.
